Chapter 1 by ALVIN AVALOS

There I was..... eating pizza just thinking about more pizza although I was thinking about school uhhh.... I honestly kinda like it but the foods terrible. Then I went home threw my backpack then went to my phone nothing new like always. Then I went to sleep waiting for the next day of my life seeing what was destined for me HA you wish I don't believe in destiny I honestly think that's for nerds lol. Waking up in the morning is a struggle honestly ate some bacon delicious ah... then the bus came. There I was just playing flappy bird oh how I hate that game ,are games even supposed to be fun I mean like who would get that game :). The teacher "teaching" then school ended so I went to the spot where my homeboys chill we were just discussing about school then we got pizza I don't think my mom would know about this but who cares? We planned on going to the movies we're going tomorrow.
